

MANUAL FlexStyle® Cassette Uplift™

A cordless window shade with stylish finishes and touch-controlled retraction — pre-assembled for quick installation.

■ Enhance any space with the FlexStyle Cassette Uplift!

This cordless window shade delivers a sleek, polished look without hanging chains or cords.

A light touch on the hem bar lifts the shade, while a gentle pull lowers it.

FEATURES

- FlexStyle Cassette Uplift cordless window shade enhances any space with sleek endcaps, a curved or square profile, and 6 stylish finishes.
- For a custom look, choose a fabric-wrapped front panel.
- Adjust the spring tension without removing the shade from the window.
- Shade ships pre-assembled for quick, easy installation.
- For hard-to-reach spaces, an optional Pull-Down Wand adds convenience.
- For interior use.
- Product can be wall or ceiling mounted for applications requiring installation within or outside the window frame. Contact Draper for details.
- This product is fully compliant with the ANSI/WCMA A100.1-2022 standard.

NOTE: Uplift operator should not be used with products or pockets having a bottom closure without written permission from Draper.
