

MANUAL FlexStyle® UpLift™

A child-safe, cordless design with designer hardware finishes, easy installation, and touch-controlled retraction — no tugging required!

- **FlexStyle UpLift** delivers a cordless window shade with designer hardware, combining style and child safety.

A light touch on the hem bar lifts the shade, while a gentle pull lowers it.

FEATURES

- FlexStyle UpLift offers a cordless solution with designer hardware, for smooth operation and effortless installation.
- By eliminating hanging cords and bead chains, FlexStyle UpLift ensures child safety and provides reliable performance with a polished look.
- A light touch on the hem bar lifts the shade, and a gentle pull lowers it — with no tugging or pulling.
- Adjust spring tension without removing the shade.
- For hard-to-reach spaces, an optional Pull-Down Wand adds convenience.
- For interior use.
- This product is fully compliant with the ANSI/WCMA A100.1-2022 standard.

NOTE: Uplift operator should not be used with products or pockets having a bottom closure without written permission from Draper.
